

TARGET 100

Shot over 100 targets on a 13 Stand sporting course or by using 25 target Compak ranges these shoots are single entry, pre booked competitions for World Sporting registered shooters.

A Par of 92 ex 100 is the expected winning score from a Pro 0 handicap shooter. On a sporting course at least 11 out of 13 stands will use 3 traps offering the shooters more challenging targets, sequences and pairs. If Compak ranges are used for Target 100 shoots then 4 x 25 target ranges will be used. On smaller grounds shooters will shoot 2 rounds of 25 on two ranges.

Shoot Course type, Trap format, entry price, guaranteed prizes in each level and the additional prize structure with % payout on max entry will be displayed on shoot promotion details.

See www.worldsporting.net/competitions.html for next Target 100 events.

To understand handicap system see www.worldsporting.net/about.html
